Subject Conferring the right of electing a non-official President in Kolar Municipality

Sir,

5819 I 6864 Dep 21/5

With reference to your letter No I 16960 dated 18th May 1948 directing that necessary action to conduct the presidential election may be taken on the strength of Government notification No 16783-I 40-47-1PO dated 11th May 1948, I have the honour to state that in pursuance of the amendment issued the statutory period of two months prescribed in the election rules may be extended by Government by a further period of two months, explaining the reasons for such a relaxation But the amendment issued with the notification referred to above does not help in any way to hold the election of a non-official president in Kolar Municipality as the total period of four months allowed by original rules and subsequent amendment has lapsed The privilege of electing a non-official president was conferred on the council on 11th December 1947 The period of two months allowed by original rules lapsed on 11th February 1948 The period of 2 months allowed by the subsequent amendment was received in this office on 12th May 1948 and further action could not be taken now as the extended period also expired on 11th April 1948 In the circumstances, I request you kindly to obtain orders of Government conferring the privilege of electing non-official president to the Kolar Town Municipal Council with effect from 1st July 1948 as a special case This would solve all the technical difficulties and disabilities that have arisen in this case Early orders of Government may be kindly obtained and communicated

I have the honour to be
Sir,
Your most obedient servant,
